Remaining summer days are few. Enjoy each sunny day and bethankful for the rainfall too. [Elizabeth Padillo Olesen](#)

Sept. 1, 2017 MOMGA meeting Boone County Extension 9:30am [AGENDA](#)

Tomato tasting event at Bradford
Sept. 7th
4 - 7pm

We will begin pick peppers Tuesday, 9/5. We will slice peppers, pick tomatoes, and slice some tomatoes Wednesday, 9/6. We will finish slicing anything that is left and do general setup Thursday, 9/7. I could really use some help for all of those activities- the students that I rely so heavily upon will be back in class. Andrew Biggs, Superintendent

They're here!
The plethora of milkweed
plants over the last few years
have helped repopulate the
Monarch.
Don't forget our other winged
wonders who visit frequently.
